Dr. Samuel Telemaque, Prayer Ministries leader for the Caribbean Union, will be our guest speaker. Pastor Shawn Shives will give practical presentations on how prayer can be utilized as a means of "farming" our mission fields by preparing the terrain for sowing and reaping. A workshop especially for Prayer Ministry leaders will be presented by Mark Piotrowski. Reservation deadline is January 19. Forms are available at the conference website at www.gccsda.org.

ONE SERVICE OR TWO?: Many have been asking whether our church will continue to have one worship service or if we'll go back to two. The November church board discussed the issue at length, but came to an impasse. It was referred to the new church board for the 2009 church year. However, the new church board has not yet been seated. We anticipate that will take place in the near future. We appreciate your patience in the matter and trust that the Lord will lead us to make the right decision that will grow our body of believers for the Kingdom. We value your support and prayers in this matter.
